

# Tennis courts

The tennis courts are situated in the centre of the town. You can reach them by car – from Władysława Łokietka Street, or by local transport services. In the vicinity there is Wał Piastowski [the Piasts' Embankment] and the remains of the defensive walls of Choszczno.

The clay courts comprise four courts, including three for doubles matches and one for singles matches. The court also features a practice wall. The facility is a site of periodical tennis tournaments.
