

Piracka Przygoda [the Pirate Adventure] - Reduta Solna [the Salt Redoubt]

Kołobrzeg

The Tadeusz Waśko "Piracka Przygoda" Educational Company has its seat near the fishing harbour in Kołobrzeg, in the 19th-century fort called Reduta Solna [the Salt Redoubt]. The fort is located on Szyprów Street, at the junction of Solna and Bałtycka Streets.

"Piracka Przygoda" [the Pirate Adventure] consists of educational and recreational programmes created in the original scenery of the 19th century Napoleonic fort. They refer to the tradition of large sailing ships and a romantic image of pirates from the period between the 17th and the 19th century. Visitors can see a banner with a skull, fights on a boom, dancing with a balloon, and other attributes and customs of pirates.
