

Promenade in Świnoujście

Świnoujście

The promenade is in the northern part of Świnoujście. It stretches along Żeromskiego Street from Bolesława Prusa Street to Powstańców Śląskich Street.

The promenade is a pre-war boulevard that separated the beach from the spa district. It is now somewhat inland. The promenade currently combines the afternoon café buzz with nightlife. Along the promenade, numerous restaurants, beer gardens, ice cream parlors, confectioneries and an oceanarium can be found. During the summer season, many events take place in the concert bowl. Well-kept historic Art Nouveau buildings add additional charm. Some of them have cosy pubs. There are also benches and a bicycle path along the promenade. There are several places where you can go directly to the beach from the promenade. Free WI-FI Internet is available along the entire length of the promenade.
