

MIELNO The 'Tramp' Marine Club Yacht Marina

This marina is located in Mielno, on the northern shore of Lake Jamno.

One of the oldest yacht clubs in the region, 'Tramp Mielno', has been operating in this harbour since 1948. The 'Tramp' Club Marina can accommodate approximately sixty boats. Unfortunately, due to the depth of the port, it can only be used by motor yachts, dinghies, or boats with a draft of up to one metre. Boats are moored here on two wooden jetties jutting into the lake, bow or stern to the quay. Access to water and electricity is provided and guests can make use of the toilets and showers. To refuel the boat, you need to go from Mielno to the village of Mścice, more than six kilometres away.
