

# Eastern Darłówko Bathing Area

Darłowo

The beach is situated in the district of Darłowo-Darłówek. You can get to the eastern beach from Słowiańska Street and Kąpielowa Street (behind Apollo Hotel).

Darłowo can be proud of a beautiful and large beach. The beach is divided by the Wieprza River, therefore we can say that there are two beaches in Darłowo: western and eastern. Darłowo has 5 km of sea beach, and 2 km of it are located on the eastern side. The beach on the eastern side is partially separated from the sea with stones. There is an open-air gym nearby with a beautiful sea view.

Eastern Darłówko Bathing Area starts 80 m behind beach entrance no. 5 next to Apollo Hotel and it goes along to the east for 300 m to beach entrance no. 7 from Słowiańska Street. From the 1st of July to the 31st of August between 9:00 to 18:00 lifeguards take care of bathing tourists. The other parts of the beach are unguarded.
