

The ski slope

Jarosławiec

The roofed ski slope in Jarosławiec is located in the holiday centre Albatros in the centre of the village. To get to Albatros, turn off the main road next to the lighthouse into Uzdrowskowa Street. The Albatros Hotel is located at the beginning of the street, at the rear on the left.

The training ski slope in Jarosławiec is the only such an attraction by the Baltic. Thanks to a training simulator, you can experience the pleasure of skiing on slopes using real skis, snowboards, boots and sticks. This is an endless slope - the tape slides and imitates the snow surface. Such training is ideal for beginners, and more experienced skiers can improve their skills there. In addition, the simulator allows you to prepare muscles and joints for a ski season. The body position on the training slope is in fact exactly the same as in natural conditions. A 10-minute skiing on the simulator corresponds to a 3-kilometre run. The Albatros Hotel offers classes with an instructor and rents ski gear. This is an excellent attraction for
