

BASS Planet Festival - 10th Edition

Start: 17th March, 2018, 08.00 pm - 18th March, 2018, 6.30 am.

Peron 5, 8i Stefana Czarnieckiego Street, Szczecin.

At the beginning of 2009 probably nobody expected that the event would continue for the next decade.

March 17, 2018, Bass Planet will be held for the 10th time!

The 10th anniversary is something really amazing for us. That is why the jubilee edition will be unique and filled with special guests. During these 10 years we have always tried to invite not only those artists whom you know well and like but also world-class stars less known in our pages.

This year we have prepared something really special. The special guest of the jubilee 10th edition of Bass Planet will be KRAFTY KUTS - a great DJ and producer who in the last 20 years has left the strongest mark on the breakbeat scene. We will finally hear him live in Szczecin.
