

Baltic Dinosaur Park

Baltic Dinosaur Park is in Wrzosowo, in the commune of Kamień Pomorski, at number 2. When traveling by car, you can reach the park by provincial road no. 107. It departs from national road no. 102. You can also get to the park by the Pobierowo-Gostyń-Wrzosowo district road. When traveling by bike, the park can be reached by a bicycle path that connects Wrzosowo and seaside towns.

The Baltic Dinosaur Park in Wrzosowo is a place where you can spend time actively. The main attraction of the park is a trip on the dinosaur trail, which is exciting not only for children, but also for adults. Along the route you can admire reconstructions of dinosaurs in their life size. There are also other attractions in the park, such as: a rope park, a railway track, quads, inflatable slides, a playground, a games room. An interesting fact is a playground with a hidden dinosaur skeleton. There is also a Museum of Minerals in the park with interesting fossils. Within the Baltic Dinosaur Park, the Wrzosowo Safari Park has recently been operating, where you can see rare species of animals, such as the white Walabia Bennett kangaroo, ostriches, Cameroon sheep, and fallow deer.

In the park there is: a parking, restaurant, souvenir shop, toilet.
