

Baltic Dinosaur Park

The Baltic Dinosaur Park lies in the village of Wrzosowo, Kamień Pomorski Commune, under no. 2. You can reach it by provincial road no. 107. It deviates from the national road no. 3 and leads through Kamień Pomorski up to Dziwnówek where it merges with provincial road no. 102. Wrzosowo is also connected by a county road (Pobierowo-Gostyń-Wrzosowo). The village is connected to seaside resorts by a bike trail.

The Baltic Dinosaur Park in Wrzosowo is a place where you can enjoy active rest. The principal attraction of the park is a trip along a dinosaur trail, a source of excitement for both children and adults. By following the trail the visitors may admire natural size dinosaur models. The park offers more attractions, such as: a ropes course, a miniature train, quads, inflatable slides, playground, a video arcade. An interesting feature is the playground with a hidden dinosaur skeleton. There is also a Museum of Minerals on site, which holds interesting fossils. Recently, Park Safari Wrzosowo opened within the Baltic Dinosaur Park. The visitors of
