In 2013, the former rope park "Tarzania" turned into the rope park "Bluszcz". The Bluszcz Rope Park can be used by adults and minors with the written consent of their parents or legal guardians. The following routes are available in the park: blue (the easiest), running at a height of 3 meters, all covered with nets; green route - intended for children over 1.20 meters tall, running at a height of 2 to 6 meters; navy blue - requiring courage and fitness from the participant, intended for athletic people who are not afraid of heights, because its elements are placed at a height of up to 12 meters; there are also two zip lines along the route, one of which is 90 meters long.
