We invite you to the post-workshop exhibition  
"Szczecin - a port city in the lens of students". The  
event is organized by the Student Culture Zone of the  
University of Szczecin in cooperation with Szczecin  
and Swinoujscie Seaports Authority SA.

Photographers: Marta Niewiarowska, Justyna Zuba,  
Izabella Wiśniewska, Bogdan Bendyk, Julia Sierant,  
Krzysztof Stępień.

The workshop was hosted by Magdalena Seredyńska.

"We had the opportunity to experience the industrial  
and maritime climate of this part of the city while  
looking at the world through the lenses of our cameras

and walking along the port quays. We visited places that are hardly available every day and we create their own individual story in the form of a reportage. This area is extremely interesting for the photographer - ranging from huge port cranes, ships, colorful containers, characteristic industrial architecture to various types of general cargo or coal heaps. Undoubtedly, it was also very interesting for participants to photograph port areas from the water. A full-day cruise gives us a completely different perspective. Thanks to the employees from Szczecin and Swinoujscie Seaports Authority SA we had the opportunity to get to interesting places and get to know the rhythm of work of various parts of the port. The results of these photographic meetings can be seen at the exhibition ending the project. "Magdalena Seredyńska
