Kazik alone at home "is the latest program of Wrocław's Neo-Nówka Cabaret. This time Neo-Nówka Cabaret take viewers into a realistic world of everyday home duties. In this program, as the title suggests, Neo-Nówka will talk about men's world. This is an unconventional instruction manual for a modern man from which we will learn how to deal with a guy, how a guy can not cope and how to deal with it. The element that links the entire program is the neatly run storyline of the archetypal Polish family. The program will include original songs that are a regular element of concerts and undoubted advantage of Neo-Nówka Cabaret. The artists themselves summarize the new program in one sentence: "Everyone is Kazik of his fate." The program is surprising, funny and real. Neo-Nówka does not slow down the pace and does not reduce flights.
